## SWEET NOTES

Valerie

*"We were so thrilled with the dessert spread that Yours Truly Cupcake put together for our wedding! Everything was delicious, but the boozy mini cupcakes were an especially big hit with our guests. The vegan and gluten-free options made feeding everyone a breeze. I would recommend Yours Truly Cupcake to anyone looking for dessert catering or simply a quick cupcake or cookie in RiNo!"*

Mattie

*"Yours Truly made our dreams come true!! They were professional and so fun through the planning process, completed our dessert table with gorgeous decor and went above and beyond on clean up! Could not recommend them more! I'll be stopping in for more treats soon!"*

Andi

*We used Yours Truly for our small wedding and it was everything we wanted. We had a small cutting cake, macaroons, and multiple types of mini cupcakes. Our cake was beautiful and delicious. Everyone raved about the cupcake flavors and enjoyed having different tasting options. We were thrilled with the cake, service, and cake stands.*
